

New Visions Programs Application Process & Tentative Timeline **2024-2025 School Year**

Online Student Application due Thursday March 28, 2024

- January 1st, 2024: New Visions Online Student Application opens online.
- January-March 2024: Prospective students participate in New Visions programming presentation sessions in their home district or may meet with their school counselor regarding options. (11th grade)
- Schedule a New Visions program visitation
- **Thursday, March 28, 2024: New Visions online Student Application submissions due.**
- April-May 2024*: Panel interviews for applicants will be scheduled either directly (contacted via provided email or phone) or through the student's home district counselor.
- **Dates subject to change*
- **Students will be required to provide their own transportation to participate in any in-person interviews*
- **Each interview will last approximately 15 minutes, arrive on time*
- **Professional attire is expected*

After all interviews have been completed, decision letters will be sent to each applicant's provided home address and district School Counselors will be alerted via e-mail to proceed with scheduling.

New Visions Allied Health Partnership *(Instructor: Dr. Tracy Merrell)*

- For more information, applicants should speak to their school counselor or reach out to porr@moboces.org. Program information can also be found on the MOBOCES website: https://www.moboces.org/programs_services/pre-k-12_instructional/cte/new_visions_programs/allied_health_partnership

New Visions Government, Law, & Public Administration *(Instructor: Mr. Anthony Rocco)*

- Visits are scheduled via school counselors and are available during the AM session
- Visitations take place at the Government & Law classroom, located at Madison-Oneida BOCES
- Students will need to arrange their own transportation for the visitation (by self or parent)
Please ensure that students have the appropriate permissions to drive, if applicable.

New Visions Professions *(Instructors: Mrs. Patricia Calcara & Ms. Susan McRae)*

- Due to current Professions student internships, visits (scheduled via applicant's school counselor) will take place on Wednesday, Thursdays and Fridays ONLY (AM or PM session)
- Student visitors will ride the bus to and from the MOBOCES campus in Verona for their session.
- The New Visions Professions classrooms are located at Madison-Oneida BOCES and Madison Central School.

*****New Visions Advanced Health Science***** *(Instructor: Mrs. Jill Kelly)*

- **Prerequisite***
- *Option available for current Health Related Careers students (who anticipate successfully completing year one) **ONLY**
- Current HRC students, please inquire with your instructor for more information
