New Visions Program: *Allied Health Partnership*

www.moboces.org
(315) 361-5700

★ Overview

New Visions: Allied Health Partnership is a one-year program offered to highly motivated high school seniors. Students involved in Allied Health will not only experience a real-world view of healthcare through immersion and shadowing, but will also develop the skills necessary to successfully transition to college-level academics. Through a combination of career exploration and research, students will learn about the healthcare system, medical ethics and workplace civility, patient care practices, and the language of medicine.

Note: This program is located in Oneida.

★ Who Should Apply

Interested students must be entering their senior year of high school in good academic standing. Students should also be self-motivated, possess a strong work ethic, and have a willingness to interact with a multitude of mentors and professionals throughout the academic year.
