

The Big Ideas

Using the bullet points as a guide, summarize six (6) “Big Ideas” that you feel best complete the statement below.

(Note: You don’t need to use the exact words from the Practices... but you do need to use the ideas!)

When our children graduate, they need to demonstrate facility in:

(BTW – Summarizing strategy → Good for the brain! High impact on learning!)

NOW – Choose your top three, and use them to complete the next page.
